**Our Origin**

New Covenant Christian School is a coed, liberal arts, Preschool-twelfth grade school founded in 1999 upon classical and Christian educational models. It is a ministry of New Covenant Presbyterian Church PCA and consists of the Grammar School (grades pre-K - 6) and the Upper School (grades 7-12).

**Admissions Criteria**

Admission is based on application, personal interview, and placement testing.

**School of Pre-Grammar and Grammar (Grades K-6)**

Pre-Grammar (Grades K-2) - Students are taught to read through a strong phonics program and are introduced to classic children's literature. Mathematics instruction includes basic facts as the foundation on which students will build. Good behavior is encouraged as students learn from the heart what God expects of them.

Grammar (Grades 3-6) - The child readily soaks up information and memorizes facts. In the grammar stage, students learn the who, what, when, and where of subjects as they learn multiplication facts in mathematics; land formations, capitals and countries in geography; names and dates of important events and people in history; and, vocabulary in English and Latin.

**School of Logic and Rhetoric (Grades 7-12)**

The Logic stage of classical education (grades 7-9) is spent training students in how to think and reason logically, both formally and informally, in every subject area. The Rhetoric stage (grades 10-12) focuses on developing students' ability to communicate truth persuasively in every area of life.

The New Covenant humanities sequence consists of the chronological study of western literature and civilization from the Ancients to modern European and American study. Emphasis is placed on critical reading, Socratic discussion, and written analysis.

Some of the authors studied are: Homer, Plato, Charles Dickens, Mark Twain, Jules Verne, Victor Hugo, John Steinbeck, George Orwell, Jane Austen, John Milton, John Bunyan, Ernest Hemingway, Cervantes, Franz Kafka, Anton Chekov, John Donne, and several Shakespearean plays.

**Focused Writing**

The Rhetoric stage of New Covenant's education seeks to build a student's ability to produce coherent and persuasive works, both oral and written. This begins with formal Rhetoric classes and continues into the Junior and Senior Thesis projects required of all students. Juniors and Seniors spend a year researching and writing an original, relevant, and defensible thesis that is presented to faculty and peers at the end of the school year.

**Faculty/Class Size**

New Covenant Christian School is committed to small classes in order to allow for more individualized instruction for our students. Class sizes are generally under 18 students in grades K-6 and under 21 in grades 7-12. The average class size 15 students.

**School Calendar**

The school year is divided into two semesters. The Upper School day consists of seven class periods each day from 7:45 a.m. until 2:40 p.m. The Grammar School begins at 8:30 a.m. and dismisses at 3:00 p.m. Chapel is held weekly.

**The Upper School House System**

Beginning in fall of 2011, New Covenant Christian School began to group its Upper School students into four unique student houses. The House System serves to facilitate opportunities for (1) fellowship and positive peer influence, (2) friendly competition, (3) leadership and governance opportunities, and (4) a heart of service within the Upper School. The houses are Athanasius House, Augustine House, Luther House, and Calvin House, named for faithful men of the early and Reformational church.

<u>Minimum Graduation Requirements (credits)</u>	
Mathematics	4
Literature	4
History	4
Laboratory Science	3
Foreign Language	2
Classical Language	1
Theology	2.5
Rhetoric/Communication	2.75
Electives	2

**Athletics**

New Covenant has offered the following sports:

- Boys High School Soccer
- Boys High School Basketball
- Boys Middle School Basketball
- Girls High School Soccer
- Girls High School Volleyball
- Girls Middle School Volleyball
- Girls Basketball
- Girls Middle School Soccer

Many students take part in other Christian sports programs. FCA (Fellowship of Christian Athletes) sponsors the following: Boys High School Saints Football (fall), Freedom Girls Varsity Soccer (spring), Girls High School Soccer (fall), Boys High School Lacrosse (spring), Boys High School Baseball (spring), and Lady Falcons Lacrosse (spring).

**Fine Arts**

New Covenant Christian School is committed to developing within students an appreciation for the fine arts and the creative application of learned skills to produce works that glorify God and draw men to a contemplation of those things that are true, good and beautiful. In light of that commitment, we offer the following:

- Drama/Theater
- Jazz Band
- Student Choir
- Studio Art

Students have the opportunity to take part in several ACSI competitions each year: Math Olympics, Creative Writing Competition, and the Fine Arts Festival.

**Electives**

Students can choose from the following electives: Student Leadership Council, Visual Basic I, Visual Basic II, Drama, Life Skills, Yearbook, Studio Art I and II, Choral Music. Additional electives (photography, physical education, survival skills) are available on a rotating basis.
